OrthoPulse®

Register Your OrthoPulse® Device

Activate your 24-month warranty in just 3 easy steps!

For OrthoPulse® lite & OrthoPulse® 2.0 Wireless

Registering your OrthoPulse® device is quick and easy! Registration is required to activate your **24-month manufacturer's warranty** and gives you access to helpful resources to get started.

No app required to register!

1 STEP 1 — Access the Registration Page

Scan the **QR code on the Quick Start Guide** included in your OrthoPulse® box and click the blue **"Register"** button.

Or simply visit **www.orthopulse.com/register**

2 STEP 2 — Identify Your Device & Enter Your Details

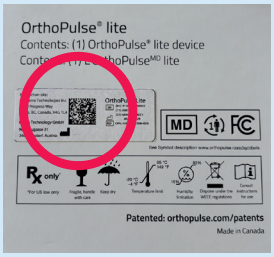

Scan the **QR code (Data Matrix) on your device** to automatically fill in your device's serial number.

Where can you find the code?

- **OrthoPulse® lite:** On the outer box or power bank.
- **OrthoPulse® 2.0 Wireless:** On the charging case.

Can't scan the code? No problem! You can also enter your Device ID manually. Simply locate the serial number label and enter the 12 digits following "(21)".

Then, enter your **first name, last name, and email address**, and click **Submit**.

OrthoPulse® lite

OrthoPulse® 2.0 Wireless

3 STEP 3 — Your Warranty Is Activated!

That's it! Once your registration is submitted, your **24-month manufacturer's warranty is activated**.

You'll receive a **confirmation email** with everything you need to get started:

- Your warranty confirmation
- OrthoPulse® App download links
- How-to videos and user instructions
- Helpful tips and resources

Please check your spam or junk folder if you don't see the email in your inbox.
